“Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up.” Galatians 6:9

We are in the harvest season again. Farmers are gathering peanuts and cotton. Jack is gathering peppers, but they will be done soon.

In our daily lives we are also sowing and reaping, We can sow kindness, generosity, love and many other seeds every day. Or we can sow discord, anger, and other negative attitudes.

We are approaching a time of year where the negative can come out because of stress and tiredness. We need to remember the Scripture in Galatians and not give up. How do we do this? We ask the Lord of the harvest to keep us focused. We pray and seek the Lord's guidance in what He is calling us to do for Him and others. When we do this His Holy Spirit will guide us. The blessing we will reap will be more than we can imagine. Enjoy the Lord and praise his name!

Blessings,

Pastor Stephanie
