“He isn’t here! He is risen from the dead, just as he said would happen. Come, see where his body was lying.” Matthew 28:6

We began Holy Week on Palm Sunday. What a welcome Jesus had when he rode through Jerusalem. Just as things can change in our lives quickly, so it did for Jesus. We go through Holy Week experiencing Jesus’ ups and downs. The Passover where the sacrament of communion is begun and the capture in the garden of Gethsemane, then before Pilate and then the crucifixion. Jesus did what he said he would do. He lay in the tomb and was resurrected on the third day. He told his disciples he would be resurrected but they didn’t understand.

Do we understand fully what that means for us as believers. The body dies but we too will experience the resurrection. To live in the resurrection while we are in our mortal bodies can be a challenge. Without trusting in Christ, we can do nothing.

During Lent we deepened our relationship with Christ the way God led each of us.

During this Easter Season let us go forth and serve Him with renewed dedication in our calling.

Blessings,

Stephan
