***Ongoing Prayer Needs**

Come make a Friend for life at Highland Park United Methodist Church, Dothan, AL February 2023

Romans 5:8 says "But God demonstrates his love for us in this: while we were still sinners, Christ died for us."

February includes some well-known special occasions. The most important to Christians is Ash Wednesday on February 22nd which is the beginning of the Lenten season. We remember on that day that we are dust and to dust we shall return. In the life of the church this begins the wait for the sacrifice Jesus made for us and His resurrection after three days in the tomb.

This day I feel is more important than the other holidays which are familiar to the world as well as us. It is good to remember those we love on Valentine's day but is not as great as Jesus dying for us so we might live. President's day is good to remember but no president gave his life so we might live.

Lent is to be a time of reflection. Yes, remember your loved one on Valentine's Day. Yes, remember the presidents and what they did for our country. Most importantly, remember that God sent his only son to die for your sins and my sins so that we have eternal life.

Begin to prepare your hearts for Easter during the Lenten season.

Blessings,

Pastor Stephanie

Happy Valentine's Day
