“Bring the whole tithe into the storehouse, that there may be food in my house. “Test me in this,” says the Lord Almighty, and see if I will not throw open the floodgates of heaven and pour out so much blessing that there will not be room enough to store it.” Malachi 3:10

***Ongoing Prayer Needs**

As I thought about what to share with you in this month's newsletter, I first want to wish you a blessed Holy Week and a blessed Easter. As we have gone through Lent, I pray the Lord has spoken to you about growing closer to Him. I pray you have forgiven those you need to forgive and felt God's forgiveness where you needed it. I pray that the Lord has renewed your excitement in serving Him, your family, and the church.

I also want to share with you these two Scriptures, one in the Old Testament and in the New Testament. Both Scriptures are promises from God. He calls us to bring all our tithes in the Old Testament passage and in the New Testament He tells us to give, does not use the word tithe, so we can receive a blessing running over. I know personally that both passages when heeded gives all the blessings God has in store for us.

I thank you for your faithfulness in giving. Many churches have struggled during these past two years. Our church was able to give 100% of the apportionments which I call missional giving to the conference last year. However, this year we have not been able to do the full amount monthly this year. This giving provides for the conference and the districts, as well as other missions in the church.

There will be a basket set for just giving to the apportionments, (missional giving) set on the table. If you have change, an extra dollar, and can give you will be blessed according to the Scriptures above.

As I think of all the blessings God has showered on me, I pray those blessings are experienced by you. We are blessed to be called the children of God and God will bless us when we do what He calls us to do.

Blessings,

Pastor Stephanie

Thank you to those that helped make “Outside The Walls” with meet and greet of our 1st Responders event a success. Thank you Laura and Ben Pippin for making this possible.

Thank you so very much for the thoughtful wishes and your prayers. My foot is a little better but it hasn't been easy to have pain. I'm sure many of you have gone through aches and pain too. Hope you are all doing good, you're in our prayers and we miss you.

Love,
Sue Miller & Family
