\*Ongoing Prayer Needs

***“Devote yourselves to prayer, being watchful and thankful.” Colossians 4:2***

***If there is ever a time we should live this Scripture it is now.***

***The month of November is a time set aside for us to celebrate all that we are thankful for. Veterans Day is in November, and we are thankful for all who have defended our freedoms and are still defending our freedoms. We are blessed to be able to meet freely in worship. That seems to be challenged in many ways and places.***

***As we begin the month of November, I encourage you to write down the ways God has blessed you, answered your prayers, and brought you through the trials you have experienced. The trials we go through help us to grow in Christ.***

***We should be watchful for Jesus coming for his church. Events in our world are unfolding that are in the Scriptures. Are you ready to meet Jesus?***

***This November devote yourselves to prayer. Pray for your family, your church, the peace of Jerusalem, and to King Jesus who cared for us while we were sinners. God loves us with an everlasting love and His love is freely given.***

***Happy Thanksgiving!  
 Blessings and Love,***

***Pastor Stephanie***
