#### \*Ongoing Prayer Needs

This passage of Scripture from the OT is for today as well as back then. Our world needs healing. Our country needs healing. Our denomination needs healing. God's promises are the same today, yesterday, and forever.

August is a time where parents are getting their children ready to go back to school. Teachers are getting their classrooms ready for the students to return. And then there is football. Many are excited about the teams they pull for. This is the first time my grandson Jude will be playing. He's finding out practice is hard after a summer of leisure.

I wonder if we could stop for a while and focus on doing what 2<sup>nd</sup> Chronicles tells us to do. Prayer changes things. What if praying could change the world, our country, our state, our town, and our denomination? What if praying for our teachers, our children, our grandchildren helped them to have the best year they ever had? Or do we think that our prayers aren't important to God?

God hears us when we pray. Revival can take place. Miracles can happen. Prayer changes things. Let us make August a month where we seek God's will and intercede for our world, our country, our state, our city, and our schools.

Blessings,

Pastor Stephanie
