"I am reminded of your sincere faith, which first lived in your grandmother Lois and in your mother Eunice and, I am persuaded, now lives in you also." 1st Timothy 1:5

Labor Day and Grandparents Day are celebrated in September. As the scripture above notes, Paul recognized the faith in Timothy of his grandmother and his mother. We have had the privilege of keeping some of our grandchildren this past summer, and now as the older ones have activities, we get to watch some of the younger ones. The joy they bring to our lives is so wonderful.

We have the opportunity to share Jesus with them and help their parents teach them the important things. We shared some of their firsts. We have the privilege of knowing that our older grandchildren, some will be getting married soon and having their own children, are serving the Lord today. We enjoyed helping them in their growing in Jesus. We, like Timothy, are grateful for their faith and know they will grow in their faith as they get older. We now have a great-great grandchild. Her name is Optavia Reign, We will meet her in October, We may not see her a lot as her parents are military, but we will pray for her daily.

Have a safe Labor Day! And Happy Grandparents Day to all who grandparent any child who is in their lives as Timothy's grandmother instilled her faith in him.

Blessings,

Pastor Stephanie
